

Complete the following work in your maths book. Make sure you have a heading, the date and number your answers to correspond to the question.

Use your iPad to find the trading hours of the Ballarat Bunnings store.

1. What are the trading hours for Bunnings?

Monday-Friday -

Saturday -

Sunday -

2. How many hours is Bunnings open on Friday?

3. How long is Bunnings open on Saturday?

4. Mr Brown arrived at Bunnings at 6:15am on Sunday morning. How long does he have to wait until the store opens?

5. If it is 6:30pm on Wednesday, how much longer will the store be open?

6. If it is 9:30pm on Saturday, how long ago did the store close?

7. Suppose it is 5:30pm on Sunday. Janice wants to go to Bunnings and it will take her 35 minutes to drive to the store from her home. Can she make it before the store closes?

8 - 10. Create 3 of your own 'Teacher style' questions about Bunnings trading hours. Find someone in your group, swap questions and answer them.
